INPATIENT REHABILITATION UNIT

The Hazard ARH Acute Inpatient Rehabilitation Unit offers top quality, comprehensive rehabilitation close to home. Our goal is to assist our patients in regaining the highest level of function and independence. Our team of highly skilled healthcare providers includes:

- *Medical and Rehabilitation Physician Specialists*
- *Rehabilitation Nurses*
- *Physical, Occupational and Speech Therapists*
- *Dietitians*
- *Social Services/Case Managers*

Each patient undergoes an extensive evaluation. An individualized plan is developed to help the patient obtain their goals for recovery. The length of stay varies based on the specific needs, rehab potential and progress of each patient.

Our comprehensive programs include the treatment of:

- *Hip Fracture*
- *Stroke*
- *Arthritis*
- *Multiple Fractures*
- *Multiple Traumas*
- *Orthopedic Injury*
- *Spinal Cord Injury*
- *Joint Replacement*
- *Amputation*
- *Burns*
- *Multiple Sclerosis*
- *Nerve & Muscle Disorders*
- *Parkinson's Disease*
