Your Prescriptions To Your Door

ARH Pharmacy now offers a HomeScript Program which provides mail order prescriptions to come conveniently to your house. ARH HomeScript Program can transfer your prescription from your current pharmacy; receive your prescription by mail; or a physician can call in your prescription. In order to begin your mail order prescriptions, please fill out and mail the tear-off portion of this card to the address below or reach us by phone at our convenient toll free number, 1-888-654-0015. ARH HomeScript Program is designed to be an at-home convenience for you.
